PATIENT FINANCIAL POLICY

Thank you for choosing our office for your care. In order to reduce confusion and misunderstanding between our patients and the practice, we have adopted the following financial policy. If you have any questions regarding this policy, please discuss them with our practice manager. We are dedicated to providing the best possible care and service to you and regard your complete understanding of this policy as an essential element of your care and treatment.

- Your insurance policy is a contract between you and your insurance company only. If you fail to notify us of an insurance change, you are fully responsible for any amount not paid by your insurance company.
- If you have out-of-network benefits we will be happy to assist you with filing the claim. Therefore, our charges for your care and treatment are due at the time of service. In the event your health plan determines a service is “not covered,” “not medically necessary” or a “cosmetic procedure” you will be responsible for the complete charges.
- For services rendered to minor patients, the accompanying parent or guardian is responsible for payment.
- Although benefits may be verified at time of service, please note this is not a guarantee of payment.
- Patient balances are due within 30 days of receipt of statements. At that point, additional charges may be applied. We will work with you to make payment arrangements. If these efforts do not result in resolution of the account, the account may be referred to a collection agency; you will be responsible for any and all fees charged by the collection agency. These fees will be added to your account.
- If your insurance plan denies payment for any reason, you will be responsible for payment. It is your responsibility as the patient to pay the denied amounts in full.
- If you need laboratory services (pathology, wound culture), you will receive a separate bill from the pathology laboratory for said tests.

24 HOUR CANCELLATION POLICY: Please provide our office with a 24-hour notice to change or cancel an appointment. If you do not appear for your appointment or cancel with less than 24 hours notice, you will be charged a fee of \$25 for missed office visits or \$150 for missed surgical/procedure appointments. This charge cannot be billed to insurance and must be paid on or before the next scheduled appointment. We realize that emergencies and other conflicts arise and are sometimes unavoidable, however, advance notice allows us to keep the clinic operating at a most efficient level.

PAYMENT POLICY: *It is my responsibility to confirm that the physician is a covered provider under my insurance plan.* I hereby authorize the assignment of benefits (payments) directly to Surgical Dermatology Associates for all my insurance claims related to services received. I understand that I am financially responsible for services provided which are to be paid on the day services are rendered. This includes co-payments/deductibles with any managed care contract and non-covered services. I have read, understood, and agree to the financial and cancellation policies above.
